

Application to Host a World Championship or Continental Championship

If a yacht club and a 2.4mR Fleet have agreed to hold a 2.4mR Class World Championship or Continental Championship, in their local waters, the club should write an informal letter to:

2.4mR Class Association
8749 S.W. 154 Circle Place
Miami, Florida 33193 USA

and make an application for this event, with a copy to the home 2.4mR Fleet. The 2.4mR International Class Association will then send this application form together with a copy of the valid 2.4mR Class Rules for the purpose of compiling the information for evaluating alternative sites for that event.

Application for World Championships or Continental Championship shall reach the 2.4mR International Class Association not later than

_____ .
Decisions for World Championships or Continental Championship will be made by the International Executive Committee of the 2.4mR International Class Association.

The club applying for the event (host club) is requested to fill in the following:

1. NAME OF THE EVENT

2. HOST CLUB

2.1 Full name, abbreviation of name, and full address:

Telephone: _____ Fax number: _____

E-mail address: _____

2.2 Name of the person to be contacted for further communications:

2.3 Host 2.4mR Fleet:

2.4 Name of fleet officer to be contacted:

Fleet officer's contact information: _____

3. SCHEDULE

3.1 Proposed dates for this event:
Measurement days:

Races Days: _____

Reserve day(s): _____

3.2 Do you know any other 2.4mR International Class Association events that will coincide with these dates?

3.3 Have any other regattas been scheduled on the same waters at the same time or which may be in conflict with the proposed schedule? State name(s) and classes:

4. RACING AREA

4.1 Enclose a chart and mark the area in which the course will be laid, and the distance from the moorings or harbor to the approximate center of the area.

4.2 Give information about meteorological conditions (prevailing winds, force and main direction at the time of the regatta, any possible influence of shoreline):

4.3 Give information about hydrographical conditions (tidal or other currents, water depth(s), obstructions, any restrictions by authorities):

5. RACE MANAGEMENT

5.1 Are experienced regatta personnel available for management of a possibly big fleet?

5.2 Who will be the Chief Race Officer on the course?

5.3 Confirm that you have read and will follow the "**Rules of the 2.4mR International Class Association and the Race Management Manual governing 2.4mR World Championships and Continental Championships.**" _____

5.4 Are there adequate vessels for race management and rescue available at the time of the regatta? _____

5.6 Confirm that you will draw up the Sailing Instructions according to the standard "**Sailing Instructions for 2.4mR International Class Association Events**".

5.7 Send a draft of the "Notice of Race" and, later on, a draft of the Sailing Instructions to the 2.4mR International Class Association for approval by the 2.4mR International Class Association Executive Committee.

6. JURY and RACE COMMITTEE

6.1 Read "Rules of the 2.4mR International Class Association and the Race Management Manual governing 2.4mR World Championships and Continental Championships.

6.2 Recommend members to serve on the Jury and Race Committee

7. FACILITIES ASHORE

7.1 Will yachts be moored or dry-sailed during the event?

7.2 How many hoists will be available?

7.3 Are sufficient rooms available for Regatta Office, Jury room, scoring and printing, presswork, all close to the moorings of the boats?

7.4 Describe facilities for measurement.

Contact the 2.4mR International Class Association in advance to lay down measurement procedure, equipment and personnel, space for measurement. Only a certified 2.4mR Class Measurer is permitted to measure the 2.4mR Boats at this Championship.

7.5 Describe facilities for contestants, committee members and their company in or around the club area.

7.6 Describe hotel and housing facilities; add list with prices and locations.

7.7 Describe facilities for parking cars, trailers, for camping, caravanning.

7.8 Are yacht and sail repair facilities available?

8. CHARTER BOATS (Information to be given by the Host Fleet)

8.1 Will charter boats of sufficient standard be available?

8.2 How many do you expect?

8.3 At approximately what cost to participants?

8.4 Are the boats insured?

9. TRANSPORTATION

9.1 What air and ground transportation facilities are available to participants?

9.2 What arrangements can be made, if any, for special low-cost shipping of yachts to this location?

9.3 If shipped yachts must be moved overland to this location, how will this be arranged?

10. SOCIAL EVENTS

10.1 Describe what social events are intended?

10.2 Contact the 2.4mR International Class Association well in advance to lay down procedures of official meetings, the opening ceremony and the presentation of awards.

10.3 Describe possibilities for people accompanying participants to watch the races.

11. LOCAL CLASS INFORMATION (to be given by the Host Fleet)

11.1 How many 2.4mR boats in the National Class Association?

11.2 How many 2.4mR Boats in the Host Fleet?

11.3 How many Fleet members will be participating in the organization and management of the event? _____

11.4 What activities are available in the area for non-participants and families?

12. PUBLIC RELATIONS / PROMOTION

12.1 To what extent do you think this event will receive coverage by sporting (especially yachting) and local press and international press agencies?

12.2 How many press people do you expect?

12.3 Will special press boats be available?

12.4 What results do you expect with regard to the further development of the 2.4mR Class in your area? _____

13. ENTRY FEE

13.1 What will be the entry fee?

13.2 What is included in these fees and what not?

14. SPONSORING FIRMS / FINANCING / ADVERTISING

14.1 Please inform the 2.4mR International Class Association about your budget for this event.

14.2 Do you intend to use the assistance of sponsoring firms?

14.3 What are their conditions affecting the event?

14.4 Do you intend to obtain financial support from advertisements in printed publications?

14.5 What are you planning with regard to selling articles like T-shirts, bags, pins, etc.?

14.6 In order to avoid any conflict, please contact the 2.4mR International Class Association well in advance to discuss problems regarding sponsoring firms and advertising.

14.7 How many prizes do you intend to award besides the 2.4mR Class Perpetual Trophies? What kind? _____

15. Will your National Sailing Federation grant this 2.4mR International Class Association Event without any restriction? _____

As soon as the 2.4mR International Class Association has decided this event to be organized by your club, form an Organizing Committee, including members of the host fleet. Keep close contact with the 2.4mR International Class Association. It is better to ask twice than to be wrong once! Please be aware that later, when entries are made, the Eligibility Rules of the 2.4mR International Class Association need special observance.

The 2.4mR ICA will inform in time.
